UNITED STATES DEPARTMENT OF AGRICULTURE
Soil Conservation Service
P. O. Box 1308
Lincoln, Nebraska

March 24, 1953

To : All Area and Work Unit Conservationists, Survey Supervisors,
Soil Scientists, and State Soil Scientist
From : A. R. Marquardt, Assistant State Conservationist,
Lincoln, Nebraska
Subject: Area Assignments for Soil Scientists

After consultation with all Area Conservationists, this office has prepared area assignments for all Soil Scientists and Survey Supervisors including the State Soil Scientist for Nebraska. These assignments are effective April 1, 1953. Any field maps and plain aerial photos in your possession which belong to counties that are now within other Soil Scientists' areas should be returned to their respective districts. Any unfinished inking of conservation survey maps should be completed before being returned. The assignments are as follows:
